

Guest Speakers

Debra D Berry, MSN, RN, CEC

Debra is the President and CEO of The Nightingale Center whose mission includes creating nursing leaders who positively influence and inspire themselves and their organization. She obtained her MSN from Michigan State University and is certified as an empowerment coach. Debra specializes in job and leadership coaching.

Suzette Bouchard-Isackson, MSN, RN

Suzette is the Interim Chief Nursing Officer and Vice President for Nursing Services in the Saint Joseph Mercy Health System. She has extensive experience working with teams in a variety of settings such as surgical services, executive teams, collaborative teams and teams on nursing units. She is a strong advocate of professional development of nurses and has been a role model as a mentor and coach for staff and colleagues.

Joyce Young RN, MS, PhD-C, CENP

Joyce is the Vice President of Patient Care Services and Chief Nursing Officer for Henry Ford Wyandotte Hospital. She is responsible for ensuring clinical quality, education and staff development and has implemented quality/safety initiatives. Joyce is a frequent lecturer on many aspects of leadership including pace of change and conflict management.

Sharon Smith, PhD

Sharon is currently the director of Professional Development and Education for Nursing at the University of Michigan Health System. She is passionate about nursing and new ways to improve health care through creative change management and innovation. Sharon has a wide and varied background from being a CNS to a national consultant.

The University of Michigan Health System's Educational Services for Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Benefits of Leadership

Every nurse is a leader, no matter the position or work setting. Leadership skills are needed for

- Articulating professional issues
- Negotiating patient care
- Supporting and coaching each other
- Changing practice

Leadership skills are essential in the changing health care environment and nurses with strong leadership skills are the professionals who will make a difference.

At this conference, you will identify leadership skills which can be integrated into your work and life. All nurses wanting to enhance their leadership will benefit from this program.

Program Objectives:

Upon completion of this conference, you will be able to

- Describe the essential elements needed to develop and enhance leadership skills
- Identify knowledge and skills critical when taking a leadership role
- Discuss how positive communication and collaboration promotes productive work relationships

Who Should Attend?

All nurses in any practice settings, including

- Staff nurses
- Nurse managers
- Health care administrators
- Nurse educators
- Nursing school faculty

Planning Committee:

Mark Kempton, MSN, RN, CNOR
 Sandra Merkel, MS, RN-BC
 Dorothy Nagle, MSN, RN
 Diane Pihalja, BSN, RN

Diane Schrock, ADN, CMSRN
 Carol Williams, MS, RN-BC
 Michael Williams, MSN, RN
 Rita Ferguson, MSN, RN
