

Benefits of Leadership

Every nurse is a leader, no matter the position or work setting. Leadership skills are needed for:

- Articulating professional issues
- Communicating effectively
- Supporting and collaborating with each other
- Promoting optimal outcomes

Who Should Attend?

Nurses in any practice setting, including:

- Staff nurses
- Nurse managers
- Health care administrators
- Nurse educators
- Nursing school faculty

Program Objectives

Upon completion of this conference, you will be able to:

- Describe contemporary leadership behaviors to stay on top of workplace challenges.
- Identify tools and today's technologies to advance professionally.
- Explore how positive communication promotes productive work relationships.
- Analyze various formal nursing education opportunities when planning for personal and professional growth.
