

Every nurse is a leader, no matter the position or work setting. Nurses need to articulate professional issues, negotiate patient care, support and coach one another and implement changes in practice.

Leadership skills are essential in the changing health care environment and nurses with strong leadership skills are the professionals who make a difference.

At this conference you will identify leadership skills which can be integrated into your work and life. All nurses wanting to enhance their leadership will benefit from this program.

Objectives:

- Explore innovations in leadership that make a difference.
- Identify strategies that enable nurses to develop leadership skills and traits.
- Celebrate the profession of nursing.

Accreditations:

Michigan State University College of Nursing (OH-294, 08/01/15) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

6.0 contact hours for nursing will be provided.
